

“Unique mosaic of art with stone”

MOSAIC COLLECTION

ABOUT US

CCK Naturalstone, established in 2008 is now one of the leading natural stone manufacturers of Turkey. With the experience we have gained in the sector for many years, it has become a company that exports to many countries of the world today.

Our production is specialized in mosaic with our modern machinery and professional team. Our factory, which has an area of 4 000 m2 and is established on 10 000 m2 in Kütahya Altıntaş district, has an annual production capacity of 100 000 m2 mosaic. Our production, which is mainly mosaic, also serves our valuable customers by performing medallion, borders, splitface and molding production.
